

Emergency Preparedness

Pets

Pets

Never forget about your furry friends as their safety and wellbeing is also very important.

- DO NOT LEAVE YOUR PETS BEHIND
- Ensure collar with identification tag is attached to pet
- Transport pets in secure carrier
- Call and arrange boarding in safe area for pets if unable to take with you
- Do not wait for last minute evacuation as rescue officials may not be able to bring your pet with them.
- Store 30 days' worth of pet food and supplies
- Call hotels and make reservations with pet friendly hotels
- Refill all animal medications
